

LYNN HINDERAKER

"Lynn is dynamic and insightful, much like Donny Deutsche, the host of The Big Idea business program on cable TV. That's saying a lot!" - Brian, real estate agent at Berkshire-Hathaway Ambassador Real Estate

"After listening to Lynn Hinderaker's presentation (Dance with the Customer), I would literally run through a wall to use these ideas to improve our company's sales. I will introduce him to our management team immediately." Jeff, civil engineering firm

"Lynn is a dynamo! We are seeing progress already!" – Ron, president of a commercial heating and air conditioning firm

"Lynn is a brainiac - the most awake person I know!"
Allan, former director of a Chamber of Commerce

"You are a genius - in the same league as Guy Kawasaki, John Maxwell or Seth Godin!" – Tim, franchisor in the volleyball league industry

"I would describe Lynn Hinderaker as an 'awareness communicator;' when you interact with him, your awareness broadens." – Andrew, insurance sales team supervisor

"Lynn, you are a borderline genius. Your online videos prove it." - Kathleen, economic developer

"I wish I could just click a button and listen to the mind expanding ideas that you have. You are another Tony Robbins." – Alan, college business professor

"Lynn, you can create something out of nothing. What will your big brain think of next?" - Monte, president of men's cologne manufacturer

"This guy exudes passion! He brought ballroom dancers into a conference room and used them as a symbol of new-era marketing. Wow!" – Brent, vice president of a soil testing laboratory

"I have had the honor of being interviewed on Lynn Hinderaker's shows many times and I highly encourage all readers to pursue the opportunity with him." - Andy, national speaker and author
